

## **Physics – Year 10 Report Feedback Sheet**

Please find below information on each of the topics outlined on your child's report for Physics. We have given some GCSEpod links to help you support your child in improving on their 'insecure' or 'developing' topics. The link provided in the resources column corresponds to podcasts that will allow your child to watch pods on the relevant topic with either a check and challenge or an assignment to assess their understanding. You can also find all the lessons that were taught this term in their Year 10 Science Class Team, in their Class Materials section.
