

Further Mathematics – Year 12 Report Feedback Sheet

Please find below information on each of the topics outlined on your child’s report for Further Mathematics. We have listed each topic that has been covered this term to help you support your child in improving on their ‘insecure’ or ‘developing’ topics. We have directed you to the accompanying resources to allow your child to improve by listing a link to a tutorial that will explain the relevant topic and a link to exam questions that your child can complete to ensure they have secured their understanding.
