

Applied Science – Year 12 Report Feedback Sheet

Please find below information on each of the topics outlined on your child's report for Applied Science. We have broken down each topic into the relevant objectives to help you support your child in improving on their 'insecure' or 'developing' topics. We have directed you to our personalised feedback of your child's course modules as well as Team's lesson recordings on each of the topics to allow your child to improve further. You can find all the information you need in the Teacher comments on the electronically marked coursework that has been emailed back to your child directly.
