

Spanish – Year 8 Report Feedback Sheet

Please find below information on each of the topics outlined on your child's report for Spanish. We have broken down each topic into the relevant objectives to help you support your child in improving on their 'insecure' or 'developing' topics. We have directed you to the accompanying resources to allow your child to improve using the website www.languagenut.com and KS3 Spanish - BBC Bitesize, as well as the class material file where the topic resources are placed. This will allow your child to go back to the resources used in the lessons and to work on the vocabulary and grammar where the topic is not secure.
