

Science – Year 9 Report Feedback Sheet

Please find below information on each of the topics outlined on your child's report for Science. We have broken down each topic into the relevant objectives to help you support your child in improving on their 'insecure' or 'developing' topics.

We have directed you to the accompanying resources to allow your child to improve using the website senecalearning.com

The link provided will take your child to the Seneca website where they are already part of the class, "Year 9 Science – BWA". Different assignments have been set through this class where your child will be able to access review material and short revision tasks for the relevant topics indicated on their report.

You can also find all the lessons that were taught this term in their Year 9 Science Class Team, in their Class Materials section.
