

Performing Arts – Year 9 Report Feedback Sheet

Please find below information on each of the topics outlined on your child’s report for Performing Arts. Students have studied two topics within two subjects this term and so these will be the ones included in the report, with the third subject timetabled for next term. We have broken down each topic into the relevant objectives to help you support your child in improving on their ‘insecure’ or ‘developing’ topics. We have directed you to our Teams lesson recordings on each of the topics to allow your child to improve further. You can find all of the information you need in the Year 8 Student Team in the folder named ‘Term 3 Report Feedback’.
