July 2018

Dear Parents/Guardians

Peripatetic Music Provision 2018/2019

Brooke Weston Academy currently offers an extensive range of musical tuition and the Performing Arts Department would like to offer your son/daughter the opportunity to join this programme.

There are a limited number of places available on the separate schemes, with allocation operating on a first come, first served basis. Students who have previously studied an instrument at their Primary School will be given priority onto the scheme, upon receipt of a signed contract.

We currently offer both individual and shared lessons, the costs of which and charging structure are detailed in the contract. Charges will include the loan of an instrument where one is available. This is dependent upon the instrument chosen. Each student will receive a total of 30 lessons spread throughout the academic year.

All students are actively encouraged to participate in a range of instrumental ensembles and bands. Your support would be appreciated in this matter with regard to transport home, as most rehearsals take place after 16:05.

If you wish to join the tuition programme, the contracts are available for download from the website at www.brookeweston.org/learning/music/musictuition.aspx. Please take the time to read the appropriate Terms and Conditions before completing and returning the contract to the Finance Office at Brooke Weston Academy by Friday 24th August 2018. Alternatively, please contact the Finance Office directly for a contract.

Should you have any queries regarding the provision of musical tuition, please do not hesitate to contact Miss Dawn Willis in the Performing Arts Department.

Yours sincerely

Pete Kirkbride
Principal
