HELPING OVERCOMING THE HARMs CAUSED BY ALCOHOL & DRUGS

Ngage offers a free and non-judgmental support service to young people living in Northamptonshire.

Our support can be accessed by any young person aged 10 - 18 years old who is at risk of using drugs and or alcohol or is already using drugs and or alcohol.

Anyone can refer to our service and all young people we support are allocated a specialist keyworker, who will support the young person in identifying, achieving and reviewing their goals.

We remain open throughout this period and welcome new referrals for young people who would like to access our support. Anyone can contact us on our telephone number or email address.

Our appointments are offered virtually using telephone calls, text messages, WhatsApp or Zoom.

We can go into schools if social distancing rules can be adhered to and we are offering some clients a social distancing walk session.

Our support can be as a one-off piece of advice or part of ongoing support for as long as the young person would like us to support them.

We can also offer support and advice to parents who have concerns about their young person using drugs and or alcohol.

Opening Hours:
Monday—Friday 09:00—16:30
Saturday—Sunday Closed
Bank Holidays Closed
