Dear Parent / Carer

As we reach the end of the school year, I wanted to write to inform you of your child’s return to school and the academic support we will provide over the summer.

It is our intention to open school to all students on the 18th of August 2020 following a staff training day on the 17th of August 2020. More detailed guidance on our reopening plans will follow in the next week.

The unprecedented times that we have found ourselves working in resulted in our curriculum and delivery moving to an online platform over the last two terms of this academic year. This has had its own challenges and, for some students, adapting to this way of working took time.

We have put together summer packs of information for you and your child, highlighting the key concepts that we would like them to have secured this year, allowing them to engage fully with our curriculum on their return.

The learning activities in these packs have been taken from our term 4 and 5 curriculums, therefore if your child has already completed them, there is no requirement to complete these packs over the summer break. However, if your child was unable to complete this work during term time, then we would ask that they complete the tasks over the summer break.

The tasks are linked on the year group documents, by the subject area.

If you have any questions or queries, please contact enquiries@brookeweston.org

Yours sincerely

Shaun Strydom
Associate Principal
