Dear Parent/Carer

Prize Giving 2020 - postponement

I am writing to inform you that I have made the difficult decision to postpone Prize Giving this year. Due to current government guidelines on large gatherings and social distancing we are unable to hold the event on 17th September but will be in touch as soon as we have an update. This has been a difficult decision to make but, as you can appreciate, it has been necessary to keep each other safe in these unprecedented times.

Prize Giving is one of the most important events of the school year, as we all gather together to celebrate the successes of our students, and we are disappointed that we have had to postpone.

I look forward to welcoming you to celebrate with us in the not too distant future.

Yours sincerely

S Strydom
