

13th July 2020

Dear Parents/Carers,

Year 11 end of year arrangements, GCSE results day and next steps

I am writing to remind you about the arrangements for results day and share with you two government documents about this year's results.

This guide should help you understand how results have been awarded this year and where to find more information:

<https://www.gov.uk/government/publications/student-guide-to-post-16-qualification-results-summer-2020>.

You will find resources on this page to explain how your results will be calculated, and the options available to you if you do not receive the grade you wanted: <https://www.gov.uk/guidance/your-results-what-next>.

I know that receiving GCSE results is a significant rite of passage for many students and, despite the requirements of social distancing, we want to make sure that every student receives their results and has the opportunity to discuss them with a trusted teacher. Here is the updated process for GCSE Results Day on **Thursday 20th August 2020**.

Results day - Thursday 20th August 2020

I am pleased to say that we will be running a 'face to face' results day, though our arrangements for collecting results on site will fully comply with social distancing guidelines:

- Please enter the site via the main gates, results will be collected from the **Sports Hall (This is a change to the original letter)**
- Parents will need to wait in their cars outside
- Students need to sanitise their hands at the sanitisation stations
- There will be three entrances for different tutor groups and collection times will be staggered by tutor group, there will be socially distanced queueing. Tutor group entrances will be clearly signposted

Please can you ensure that your child arrives only in their allocated tutor group slot as identified below. If they do not attend their slot, results will be posted home the following day.

B	8.30
R	8.30
K	9.00
W	9.00
E	9.30
S	9.30
T	10.00
N	10.00

For any students who are unable to collect the results from the academy on results day, we will post the results out. We are unable to give out results over the phone or by email.

6th Form Registration

Mrs Smith and the 6th Form Team will be available for students who have met the entry criteria, to sign up for their Post 16 Studies at A Level or CTEC. We have a fantastic range of options for your son/daughter, and of course we would relish the chance to work with them for two more years. For any 6th form information in advance, please e-mail Mrs Smith on nsmith@brookeweston.org

Subject choice interviews will be held on the **25th August 2020** and students will be given their individual appointment time with the results letter. Students will then attend one of two induction days: BRKW on 26th August, STN on 27th August.

The first day of term for Year 12 students in the **4th September 2020**. Further details regarding induction days and the return to school will be available to students on results day.

Should students require more support with their results post results day, an email can be sent to resultsday2020@brookeweston.org where you will receive a call back from a dedicated team of staff who will be providing personalised support.

We recognise that this continues to be a very strange time for all concerned. We have greatly missed seeing your son/daughter in school over the past months, missed watching them tackle exams, and greatly missed being able to celebrate the end of their journey with us.

The usual celebrations, hugs and photographs will sadly not be possible this year (although we will hope to compile a collage of photographs taken remotely) and we must ask you to leave the premises swiftly on receipt of your results please.

We wish them all the very best for their future endeavours.

Yours sincerely

Shaun Strydom
Associate Principal
