

Faculty Curriculum Calendar 2020-21

Curriculum Intent:

We aim to create a highly effective learning environment where all our students understand where they are currently at, how they can improve and to nurture their motivation and confidence in such a way to enable them be the best that they can be. We strive to develop their core understanding of a range of interconnected topics to facilitate further study and also allow them to apply this knowledge in a range of contexts.

		Term 1								Term 2								Term 3								Term 4								Term 5									
		1	2	3	4	5	6	7	8	1	2	3	4	5	6	7	8	1	2	3	4	5	6	7	8	1	2	3	4	5	6	7	8	1	2	3	4	5	6	7	8		
7	Topic/Content																																										
	Whole School AP																																										
	Assessment (F/S)																																										
	Diagnosis/Therapy (D/T)																																										
8	Topic/Content																																										
	Whole School AP																																										
	Assessment (F/S)																																										
	Diagnosis/Therapy (D/T)																																										
9	Topic/Content																																										
	Whole School AP																																										
	Assessment (F/S)																																										
	Diagnosis/Therapy (D/T)																																										
10	Topic/Content																																										
	Whole School AP																																										
	Assessment (F/S)																																										
	Diagnosis/Therapy (D/T)																																										
11	Topic/Content																																										
	Whole School AP																																										
	Assessment (F/S)																																										
	Diagnosis/Therapy (D/T)																																										
12	Topic/Content			Data, probabilities, population and samples						Confidence intervals, percentage calculations and numerical calculations				Repayment and correlation				Critical analysis, modelling cycle, Fermi Estimation and taxation				pre release practice		mocks and revision																			
	Whole School AP																																										
	Assessment (F/S)																																										
	Diagnosis/Therapy (D/T)																																										
13	Topic/Content																																										
	Whole School AP																																										
	Assessment (F/S)																																										
	Diagnosis/Therapy (D/T)																																										

Key:

- Data Required
- QA Process
- Parent's Eve P
- Reports
- Mock/EoY
- Formative
- Summative
- Diagnosis
- Therapy
